1. Narrative description of the Prop 28 arts education program(s) funded. (2500 character limit).

Epic California Academy expanded arts education opportunities for students through the implementation of enhanced VAPA programming supported by Proposition 28 funding. High school students were served through direct instruction in A-G approved visual and performing arts coursework, increasing access to standards-aligned arts education opportunities that supported creativity, student engagement, and college/career readiness. In addition to direct VAPA instruction, the program supported the development of arts-integrated learning opportunities, creative enrichment activities, and expanded student access to visual arts, media arts, and digital arts experiences across grade levels. Proposition 28 funding also supported program coordination, instructional resources, and the continued growth of sustainable arts education programming aligned with California Arts Standards.
